# US Naturalization Preparation

This class prepares students for their U.S. Naturalization test. To become a U.S. citizen students must pass a U.S. English Language Test and a U.S. Civics Test during their naturalization interview. This class is designed to improve ordinary English language skills in reading, writing, listening and speaking. Students prepare for the civics test by learning about the history, laws and customs of the U.S. government.

**Minimum Enrollment:** 4 students

**Instructor:** Olga Batova,  
[obatova@uwf.edu](mailto:obatova@uwf.edu)

Olga Batova is an instructor with the UWF Intensive English Program and has more than 20 years of experience teaching English as Second Language. Originally from Russia, Batova is long-time resident of Gulf Breeze, Fla., and passed the U.S. Naturalization test six years ago. Since then she has helped many people navigate the naturalization process and prepare for the official interviews.
