

The 2020 American Statistical Association Florida Chapter Meeting

Promoting the Practice and Profession of Statistics

The Department of Mathematics and Statistics at the University of West Florida (UWF) will host the 2020 ASA Florida Chapter meeting in Pensacola campus on **March 6-7, 2020**. Students, faculty, and statistical practitioners are invited to attend this meeting. There will be workshop, invited, contributed, and poster sessions covering a wide range of topics.

Keynote Speakers

- **Dr. Tommy Wright**, Chief Center for Statistical Research and Methodology, US Census Bureau.
- **Dr. Martin Kulldorff**, Professor, Brigham and Women's Hospital and Harvard Medical School.
- **Dr. Bimal Sinha**, Presidential Research Professor, University of Maryland, Baltimore County (UMBC).

Workshop Speaker: Friday 6th at 9:00 AM

- **Dr. Thomas Mathew**, UMBC Presidential Research Professor.
- Workshop title: The Statistical Assessment of Bioequivalence and Biosimilarity.

Student Competition: The competition is open to all students. The student must be the lead author of the work. The student should register for the conference and must present their work at the conference to be eligible for the award. A committee will evaluate the quality and the scientific content of the oral/poster presentation. Winners will receive a cash prize and a certificate.
