## PROGRAM REQUIREMENTS

In addition to general University requirements, students seeking the B.A. in Art must meet the requirements listed below.

A grade of "C" or better must be earned in all courses that are part of a major program. All course choices must have art faculty advisor approval.

The Department of Art reserves the right to retain for the University's collection any work produced by students as part of the requirements for their degree programs.

Students interested in obtaining certification to teach this subject area in secondary education need to contact an advisor in this department to carefully plan the course work to satisfy degree and some teacher certification requirements. A degree in this major is required for participation in teacher education certification options.

In addition to the Studio Art Program, an Interdisciplinary Humanities program is available for students who want to pursue a broad background in the fine and performing arts. The program may be completed at the UWF Pensacola, Fort Walton Beach, and OWCC Niceville campuses. Further information is available in the Humanities Interdisciplinary section of this catalog.

Course descriptions are listed alphabetically by prefix in the back of this catalog. For courses with a dash in the course number, contact the offering department for information.
