 College: Professional Studies

The Guidance and Counseling Specialization is designed for students who want to receive guidance and counseling certification while completing the Master of Education degree. This option complies with the State of Florida Guidance and Counseling requirements for receiving certification at the PK-12 grade levels. The courses in the program are also aligned with the national and state guidance and counseling standards.

A program also is available in the Department of Psychology for those students desiring a Master’s Degree in Psychology.

ADMISSION REQUIREMENTS

In addition to general University minimum standards of admission to graduate studies, students are required to provide a letter of intent including the name, address, and phone number of three professional references. The completed application will be reviewed by the department Graduate Admissions Committee.
