The Legal Studies program offers an alternative to law school for those who wish to work in the legal field in a capacity other than that of an attorney, primarily as a paralegal (traditional or nontraditional). Two specializations are available to students seeking the B.A. in Legal Studies. No previous legal/paralegal course work is required to enter the program. The Professional Specialization is for students who desire to pursue a career in the legal field in a capacity other than that of an attorney, primarily as a paralegal (traditional or nontraditional). The Pre-Law Specialization curriculum is for students who have a desire to attend law school but who also want to be able to work as a paralegal/legal assistant.

Contact the division for additional information concerning certification.

PROGRAM REQUIREMENTS

In addition to general University requirements, students seeking the B.A. in Legal Studies must meet the requirements listed below.

A grade of "C" is required for all courses listed as core courses, specialization courses, and professional elective courses. Any course substitutions for specifically listed courses must be approved in writing, in advance by a Legal Studies Coordinator. All Legal Studies majors must successfully complete PLA 4155 notwithstanding any prior course work in legal research and writing. There are "permission only" courses to facilitate the proper sequencing of courses for students.

Course descriptions are listed alphabetically by prefix in the back of this *Catalog*.

General Studies (36 sh)

Legal Studies majors should take PLA 2013 to fulfill the socio-political component and PHI 2603 to meet the contemporary values and expressions component of General Studies.
