The undergraduate curriculum of the Department of Music is designed to equip graduates for careers in the field of music. Students may choose one of five specializations: Music Performance, which prepares the student for further studies at the graduate level in preparation for a career in concert performance; Music Performance/Accompanying which prepares musicians to accompany other performers; Music Performance/Jazz which prepares student for careers in Jazz or Commercial performance; Music Performance/Sacred Music, which prepares students for a career in church music or further studies at the graduate level in sacred music; and Music Performance/Teaching, which prepares student to teach music in public and private schools through participation in the State of Florida school district alternative certification program and prepares students to develop an applied private studio. Permission to major or minor in music is granted by the Department. All music courses have been approved by the National Association of Schools of Music.

The Department of Music has held accreditation by the National Association of Schools of Music since 1971.

Scholarships

The Department of Music offers numerous scholarships granted by the University, community organizations, and individuals. The Department stands ready to assist students of outstanding ability as well as those with financial needs. All scholarships are based on GPA and performance achievement. Contact the Department of Music for details.

PROGRAM REQUIREMENTS

In addition to general University requirements, students seeking the B.A. in Music must meet the requirements listed below.

ADMISSION

To be admitted as a music major, students must audition for the faculty at least one semester prior to enrollment as a music major. Entering freshmen are advised to contact the Department of Music in the spring semester of their senior year in high school in order to secure information regarding scholarship auditions and general information about the degree plan of their choice. Scholarship auditions are generally scheduled in February and March of each academic year.

Transfer students from other colleges and universities are advised to contact the Department of Music one semester prior to their anticipated date of enrollment in order to insure a smooth transition into the music curriculum at UWF. Transcripts will be evaluated by the chair prior to enrollment as a music major.

Students seeking a degree in Music/Teaching must take and pass prior to graduation the CLAST test and the following portions of the Florida Teacher Certification Exam: General Knowledge Test, Professional Education Test, and the Music Subject Area Test.

Departmental Requirements

In addition to the course requirements, the Department of Music requires the following of its majors:

- A. Every student enrolled in applied lessons must participate each semester in a major ensemble sponsored by the department (i.e., band or chorus). Exceptions will be made only if students are completing a teaching internship.
- B. All majors must participate in the weekly student recital performance classes and perform as recommended by their applied professor. Majors generally perform at least once during the semester.
- C. All majors must attend a minimum of 12 concerts or recitals each semester in residence. The concerts or recitals may include student recitals, symphony concerts, music hall artists series concerts, and any other program of "classical" nature approved by the faculty.
- D. All students using the practice facilities must secure a building pass from the music office each semester.
- E. All students must earn a minimum grade of "C-" in all major courses.
- F. All students must pass the UWF Piano Proficiency Examination prior to graduation.
- G. All students must pass the UWF Music Theory Placement Examination prior to enrolling in Structure and Style or Counterpoint.

Course descriptions are listed alphabetically by prefix in the back of this *Catalog*.
