PROGRAM REQUIREMENTS

The Bachelor of Fine Arts (B.F.A.) is a professional art degree program that provides a more intensive course of study than the traditional Bachelor of Arts (B.A.) in Studio Art described in a previous section of the *Catalog*. In the B.F.A. program, students can concentrate in a number of studio areas including drawing, electronic art and design, painting, sculpture, ceramics, and photography.

After acceptance into the program, all B.F.A. students must complete the minimum of 18 sh of studio and/or art history courses at UWF. B.F.A. students must participate in two group critiques and two individual critiques each semester of their junior and senior years, observing only on the first group review. The group reviews are scheduled by the faculty in or around the 6th and 11th weeks of the semester; individual reviews are arranged by students with their faculty committees. B.F.A. students must participate in a B.F.A. Exit Show in their final semester.

A grade of "C" or better must be earned in all courses that are identified as common prerequisites, major, or major-related. Deficiencies in art requirements may be satisfied by course work at UWF. However, none of the art courses in the General Studies curriculum may be used to satisfy junior/senior requirements. All course choices must have art faculty approval.

In addition to general University requirements, students seeking the B.F.A. in Art must meet the requirements listed below.
