Letter from the Vice President of Enrollment and Affairs

At UWF, there's no limit to how you can make a splash.

The Argonaut is our mascot for good reason. According to Greek mythology, the Argonauts were the intrepid, and utterly fearless, Argo crew that sailed with Jason in search of the Golden Fleece. (Pretty epic.) Today, the University of West Florida's Argonauts are ARGO-ably the toughest, fiercest, ever-going-to-give-up competitors on and off the field. Just like our ancestors, we're destined to make a splash.

Thank you for choosing to become part of the Argo Nation. This handbook contains information about policies and procedures that all Argos need to know. As you settle in, I encourage you to take advantage of the programs and services we offer our students beyond the classroom. UWF students are diving in. From undergraduate research projects to internships and work-study programs, UWF students can develop the skills needed to launch successful careers.

Ready to travel the globe, save a life, coach a kid, climb Everest? To make your splash, first you'll need a plan. Meet your advisor. Text or email them to set up a time to chat. Make a plan with your advisor -What do you want to do? Study in China? Intern on Wall Street? Spend the summer studying on a deserted island? Join an organization, club sport, fraternity or sorority or community service organization or become a student leader?

Check your graduation dashboard regularly. Are you good? Or do you need to ratchet up your game. It's all there.

Most important, remember no Argo swims alone. We're with you, 100 percent. Let's turn the tide in your favor. Take a deep breath... dive in...and splash forward!

Have a great year and
Go, ARGOS!

Joffery Gaymon, Ed.D.

Vice President, Division of
Enrollment and Student Affairs

Campus Safety and Security

University Police: The Police Department provides a full range of public safety services to the University community and its guests 24 hours a day, seven days a week, year-round. All UWF police officers are fully certified state officers through the Florida Department of Law Enforcement, Division of Criminal Justice Standards and Training.

Blue Light System: Emergency Blue Lights are free-standing white poles or wall-mounted boxes strategically located throughout the Pensacola campus. Blue Lights can be activated by using the red button inside the call box or by striking the side of the pole.

Safety Escort Service: The campus escort service is available to ensure the safety of all University students, personnel and visitors upon request. The service is provided between car and building or building to building, day and night, year-round. Qualified, supervised student personnel provide the escort service Monday through Friday while the University is in session, 8 a.m.-midnight. During all other times, the University Police will provide escort service on an as-available basis. Escort service may be arranged for special events held on campus.

Combined Annual Security & Fire Safety Report 2018-2019: Campus Security Policy and Campus Crime Statistics Act - The Jeanne Clery Disclosure for Campus Security Policy and Campus Crime Statistics Act (formerly the Campus Security Act) is a federal law that requires institutions of higher education to disclose campus security information, including certain crime statistics for the campus and surrounding area. As a current or prospective University of West Florida student or employee, you have a right to obtain a copy of this information for this institution. You may obtain a printed copy of this information upon request by contacting UWF Police at 850.474.2415.

Crime Statistics: The UWF Police Department submits semi-annual Uniform Crime Report Data to the Florida Department of Law Enforcement for crimes occurring within its jurisdiction. It also disseminates information concerning incidents of crime through local and on-campus media. The data is ultimately published by the FBI in the annual Uniform Crime Report. Florida Department of Law Enforcement definitions of select offenses are available by contacting the UWF Police at 850.474.2415. The crime statistics for UWF can be found on the U.S. Department of Education's [Campus Safety and Security site](#).

Security of Campus Facilities and Housing: The University of West Florida is a public institution and, with the exception of the residence halls, is open to the public during the day and evening hours when classes are in session. During the times that the University is officially closed, its buildings are generally locked and only faculty, staff and some students with proper identification are admitted. The University police provide regular patrol of UWF buildings as well as parking facilities. Individuals who interfere with the orderly functioning of university business may be escorted from campus grounds and subject to arrest.

Resident students are issued a key or key access card at check-in so they may have access to their living unit. Students are encouraged to safeguard keys in order to enhance their personal safety and the safety of others. An effective residence hall security system program depends upon resident cooperation, staff supervision and University police assistance. Although the campus-wide security system increases campus safety, the best security system is one in which all members of the community take personal responsibility for self-protection and the protection of their property.

UWF police officers patrol the areas around the campus and are readily available to assist on a 24-hour basis. In addition, Resident Assistants (RAs), hired by the Department of Housing and Residence Life, are on duty daily in residence hall communities. These security measures and personnel are representative of our concern for the protection of persons and property. Resident students are encouraged to promptly call the police at 474.2415 to report security deficiencies immediately.

The Facilities Management Department maintains university buildings and grounds with a concern for the safety and security of all persons and property. Inspections are made regularly and repairs are made promptly to ensure that appropriate safety and security measures are maintained. The University Police assist Facilities personnel by reporting potential safety and security hazards, which includes

conducting campus safety and lighting surveys and reporting discrepancies. Students, faculty and staff are also encouraged to call Facilities Management or the University Police to report any actual or potential safety or security hazards. The University Police conduct physical security surveys of campus facilities that may be vulnerable to criminal intrusion. Specific recommendations are made regarding security hardware, alarm systems or procedures that will serve to reduce the opportunities for crimes to occur in or around campus buildings.

Crime Prevention Responsibilities/Programs: The UWF Police Department encourages all students, faculty and staff to be involved in campus crime prevention. Information on safety and security precautions is provided on a regular basis through use of films, seminars, bulletins, crime alerts, posters, brochures and campus print and video media. In an ongoing effort to facilitate this process, University police officers provide crime prevention programs throughout the year on such topics as Date/Acquaintance Rape, [RAD \(Rape Aggression Defense\)](#), Personal Safety-Reducing Risks, Alcohol and DUI, Burglary and Theft Prevention, Operation ID-Personal Property Engraving, UWF Police Department-Who We Are and What We Do, Bike Engraving, Robbery Precautions and Child Safety.

Campus Sex Crime Prevention Act: This federal law is aimed at tracking convicted sex offenders enrolled at or employed by institutions of higher education. The act requires sex offenders registered with the state to provide notice to the state of each institution of higher education that the offender is employed, carries on a vocation, or is enrolled as a student. The UWF Police Department maintains a [list of convicted offenders at the University](#). This information is provided by the [Florida Department of Law Enforcement](#).
